tuned a perfect fifth lower than the mandolin cgda low to high the mandola takes the role of the viola in a mandolin orchestra or other ensemble given the mandola s unique tessitura the alto clef with middle c on the third ledger line of the staff is required this collection of 40 pieces from the classical through early romantic periods aims to help you become proficient in reading the alto clef from easy to advanced levels while simultaneously improving your technical abilities multi instrumentalist rob mackillop consistently demonstrates an appreciation and awareness of musicianship regardless of which instrument or period of music captures his fancy from j s bach to raffaele calace this book draws studies and pieces from method books for the mandolin cello guitar and early c 1700 music for the mandola the author s goal is to prepare you for the finest classical repertoire in his words these studies have been chosen to develop your musicianship not just technique this book has a high practical value for mandola players learning to read

the alto clef to facilitate that journey the pieces and exercises in this book are also presented in tablature that can be read on any 4 string instrument tuned in perfect fifths

this book provides new practical tools that bridge the gap between familiar easy to use technology and musical practice to enhance musicianship and motivate students authors jennifer mishra and barbara fast provide ideas for use with students of all levels from beginners to musicians performing advanced repertoire this book is written for teachers both studio teachers and ensemble directors but can be read by performers to help give new guidance to their own practice sessions some strategies in this book would not have been possible without advances in technology others expand tried and true practice strategies with the use of technology most of the technologies discussed are free or inexpensive and don't require extensive specialist equipment or learning rather than replacing quality practice strategies technology brings new tools to the practicing tool box the strategies lay the foundation for how technology can be used in the practice room and are intended to spark creativity the book encourages teachers and students to vary the integration of practice strategies with technology in personal ways to fit their own studios or practice routines this book is all about exploring our musical practice through technology the ideas in this book will invigorate your musical practice and lead to even more creativity between you and your students

seasoned music educator and multi instrumentalist rob mackillop presents this introductory classical repertoire for the intermediate tenor banjoist derived from method books for the mandolin cello and guitar these progressive melodic studies are typeset in standard notation and tablature readers are encouraged to start at the beginning and listen to the author's online recordings for guidance various keys rhythms and time signatures are represented for a thorough grounding in note reading most importantly these studies have been chosen to develop musicianship not just technique creating your own left hand fingering and original interpretive ideas will build the confidence needed to become an authoritative classical performer if you have played the tenor banjo by ear or relied on tablature exclusively in the past this is the book and now is the time to access the world of standard notation for whatever style of music that interests you the author provides liberal playing tips and suggestions for further sight reading as the perfect fifth tunings of the tenor banjo and mandola are the same cgda this music can also be played on the mandola includes access to online audio
